

**FIND OUT HOW YOU CAN GET MORE
FROM YOUR TECHNOLOGY!**

INCREASE YOUR BUSINESS PROFITABILITY

Official Lunch & Learn Invitation.

July 27th, 2010

Join Marathon for a **FREE Lunch & Learn** style seminar that is ideal for any business owner or decision maker. We will discuss the key points for understanding investment returns resulting from proper technology solutions. These include:

- Increasing your profitability with a few easy steps
- Creating more value in your business
- How you can start saving today with more efficient use of your technology
- Learning how to utilize your computers to full capacity without slowing them down
- Infrastructure cost reduction and operating cost savings through new technology
- The importance of quality service
- Overall IT spending, not just consulting or hardware

Space IS limited, reserve your spot now.

Don't let the Competition get the jump on you. The signs of economic recovery are already in place, and if you're not ready, you could lose valuable market share. Marathon's innovative IT Solutions can help you increase your productivity.

Increase Your Business Profitability
